90th Inf Regt

3rd AAA Regt, quartered in the "Someseni" Barracks about 2 miles east of CIUJ

One alert battalion of a FLORESTI (R 26/L 80) gendarmerie headquarters.

d. GHERLA (S 48/M 13): Mountain infantry troops, probably one battalion.

e. BRASOV (R 35/X 37):

One artillery regiment.

25X1A 2. Comment:

a. The report confirms previous information.

b. The 18th Inf Div in ORADEA had previously been misidentified as 8th Inf Div. It was, however, not established whether the name of the CG of the 18th Inf Div is ZOTTER, as mentioned above, or ZOLLER, as reported on 1 June 1949.

c. The 18th Inf Div comprised the 18th Inf Regt in GRADPA
LARE and presumably the 90th Inf Regt in CLUJ.

d. No information has been obtained on a 10th Inf Regt.

e. The CLUJ antiaircraft artillery regiment has been repeatedly
confirmed as the 3rd AAA Regt.

f. Only the 4th AAA Regt is known to have been activated in
BRASCV which, according to previous reports, is located in
the 2d MD area. The BRASCV artillery regiment mentioned in the
above report is presumably identical to the 4th AAA Regt.

h. The above report also confirms information submitted on
21 April 1949 since the Hq of the 3rd MD has remained in CLUJ
after the dissolution of the 1st MD in TIMISCARA.
